ABOUT IIIT KOTA

Indian Institute of Information Technology Kota (IIIT Kota) is an institute of national importance. IIIT Kota is a joint venture of the Ministry of Education (MoE) Govt. of India and Govt. of Rajasthan with Industry Partners in Public-Private-Partnership (PPP) model.

IIIT Kota was established in 2013 and it started operating from its temporary campus in Prabha Bhawan of MNIT 2013. Currently, the institute is mentored by the Malaviya National Institute of Technology Jaipur (MNIT Jaipur).

The institute is totally dedicated to imparting excellent research and industry-oriented education to the future technocrats of the country. The teaching and learning process at IIIT Kota is inspired by the system followed in leading national-level institutes. The teaching pedagogy is based on real-life practical exposure along with strong conceptual learning.

ABOUT HACK THE CHAIN 3.0

HackTheChain 3.0 is the premier event of Nexus, the annual technical fest at IIT Kota. As the flagship hackathon, it gathers the brightest minds from across the nation, offering a platform for innovative thinkers, developers, and problem-solvers to showcase their skills. The hackathon focuses on cutting-edge technologies such as blockchain, AI, Web3, and cybersecurity, fostering creativity and real-world solutions over an intense 24-hour coding marathon.

Participants will have the opportunity to work on challenges designed by industry leaders, making it a unique confluence of innovation and technology. With exciting prizes, networking opportunities, and exposure to leading sponsors, HackTheChain 3.0 is set to elevate the spirit of innovation and set new benchmarks in the realm of hackathons.

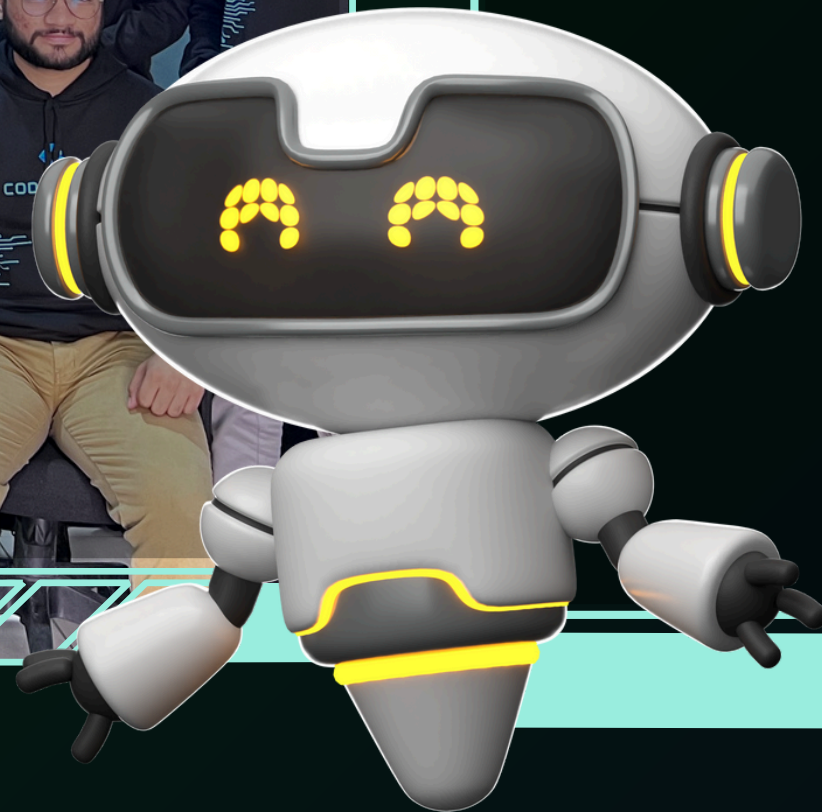

ABOUT CODEBASE

IIIT Kota CodeBase is a community formed by the students of IIIT Kota to promote open-source development in the institute and hence, maintain a good coding culture.

We, at CodeBase, explore our technical interests and enhance our practical coding skills by actively working together to build awesome free and opensource projects.

PAST EVENTS

HACKTHECHAIN

In March 2023, we teamed up with GDSC IIIT Kota to host HackTheChain, our college's annual hackathon, which was held virtually on Devfolio. The event featured a competitive ₹1,50,000 prize pool and attracted talented participants from across the country, who tackled real-world blockchain and decentralized technology challenges. With expert mentorship and engaging workshops, HackTheChain showcased innovative solutions and highlighted emerging tech talent.

HACKTHECHAIN 2.0

In February 2024, we successfully hosted "HackTheChain 2.0," our college's annual hackathon as part of the tech summit at IIIT Kota. The event saw an overwhelming response, with over 1,200 registrations from students, developers, and tech enthusiasts from all over India. Participants competed to solve real-world challenges in a dynamic, innovation-driven environment, working with cutting-edge technologies such as blockchain, AI, and Web3.

With a substantial prize pool of ₹1,50,000, HackTheChain 2.0 attracted some of the brightest minds, making it a remarkable event in the tech calendar, offering networking opportunities, skill development, and industry exposure.

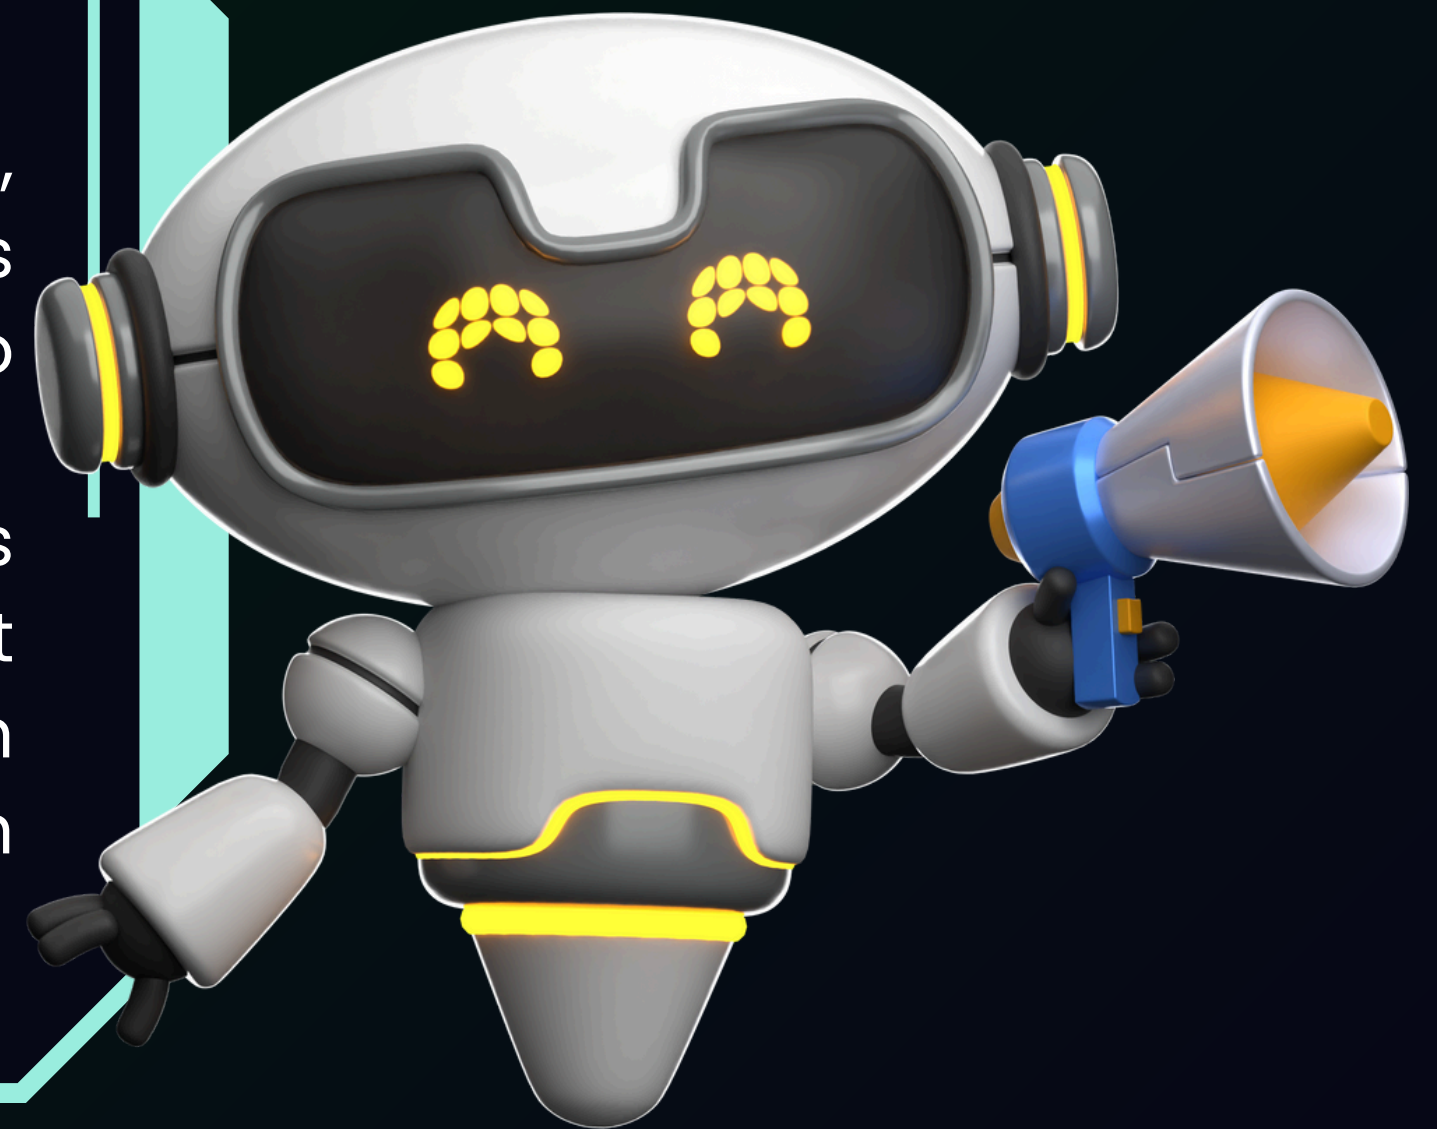

GENERAL GUIDELINES

- Participants need to build a web/mobile application that aligns with the problem statement and that too within the stipulated time constraint.
- Participants are expected to ideate, code, test, optimize and deploy an application according to the problem statements.
- Participants should focus on the user interface and user experience for the application

SCHEDULE

Join us at Kota City's Biggest Hackathon, HackTheChain 3.0, on February 21st-23rd, 2025. This dynamic event brings together tech enthusiasts to tackle real-world challenges, collaborate on cutting-edge solutions, and showcase their skills. As a sponsor, you'll gain exclusive access to top talent and elevate your brand visibility within the tech community. Don't miss this opportunity to champion innovation and support future leaders!

JUDGING CRITERIA

- ENTRIES WILL BE JUDGED BY THE JUDGES BASED ON VARIOUS EVALUATION CRITERIA.
- EVALUATION CRITERIA:
 1. CREATIVITY AND INNOVATION
 2. UI/UX OF THE APPLICATION
 3. COMPLETION AND ELEGANCE
 4. SCALABILITY
 5. API AND BACKEND DESIGN
- EVALUATION CRITERIA MAY BE CHANGED AFTERWARDS.
- PARTICIPANTS WILL BE RANKED BASED ON THE FINAL EVALUATION.

THANK YOU

The background features a dark teal gradient. On the right side, there are two large, overlapping, parallelogram-shaped blocks in a lighter teal color. The top block is slightly offset to the right and up from the bottom block. In the bottom right corner, there is a small, faint halftone dot pattern. The text 'THANK YOU' is centered horizontally and rendered in a bold, white, sans-serif font.
